ORDER GRANTING MOTION TO AMEND COMPLAINT
AND FURTHER NOTICE TO SHOW CAUSE

On December 10, 2014, the Board issued a Decision, Certification of Representative, and Notice to Show Cause in these proceedings.¹ That Decision provided leave to the General Counsel to amend the complaint on or before December 22, 2014, to conform with the current state of the evidence, including whether the Respondent had agreed to recognize and bargain with the Union after the December 10, 2014 certification of representative issued. On January 22, 2015, the General Counsel filed a motion to amend the complaint, under Section 102.17 of the Board's Rules and Regulations. The General Counsel states in his motion that the December 22, 2014 date given for amending the complaint was not able to be met, but that the amendment is necessary now in light of events that occurred after that date. The General Counsel further asserts that granting this motion to amend would not result in prejudice to any party. The complaint attached to the General Counsel's motion has been amended in relevant part to include the allegations that about January 9, 2015, the

Union requested that the Respondent recognize and bargain with it as the exclusive collective-bargaining representative of the unit employees, and that about January 15, 2015, the Respondent refused to do so, and continues to refuse to do so.

Having duly considered the matter,

IT IS ORDERED that the General Counsel's motion to amend the complaint is granted and the complaint is deemed amended as of this date.

IT IS FURTHER ORDERED that the Respondent's answer to the amended complaint is due on or before February 17, 2015.

NOTICE IS GIVEN that cause be shown, in writing, on or before February 24, 2015 (with affidavit of service on the parties to this proceeding), as to why the Board should not grant the General Counsel's motion for summary judgment. Any briefs or statements in support of the motion shall be filed by the same date.

Dated, Washington, D.C., February 3, 2015.
